## Beautifully Realistic

A hallmark of Mother Nature is that her colors are rich and varied.

Brava Slate Roof Tile is infused with natural minerals giving it multi-toned hues and textures. By comparison, other synthetics look flat, patterned, and plastic.

Without question, Brava visually matches natural quarried slate like no other.

Brava uses the most advanced UV protection to **guarantee superior long-lasting color.**

## Lightweight and Strong

Brava Slate Roof Tile is designed to be beautifully authentic without the extreme weight of natural slate.

Our slate roofing installs easily without the need for costly structural modifications. Go ahead, walk on your new slate roof.

Brava uses state-of-the-art compression molding technology. It's this precision of manufacturing that gives Brava Slate Roof Tile its **unparalleled strength.**

Brava Slate: Atlantic

## Authentic Natural Look

Brava molds are cast from pieces of hand-chiseled slate. Our slates have natural edges and varied depth of color to create an authentic European feel. Brava Slate Roof Tile has a thick profile and deep color exposure throughout the entire tile.

Once you have it in your hand, you'll see for yourself. **There is no comparison.**

Brava Slate: Arendale

## Maintenance Free

Natural slate requires ongoing inspection for mold, cracked or slipped tiles, and rust-colored pyrite stains. Brava Slate is maintenance-free, giving owners superior protection and peace of mind.

Brava Slate: Onyx

## Fully Sustainable

We use recycled material in all our products, and we're very proud to share that Brava's Slate is fully recyclable. We are committed to a sustainable future and work hard every day to keep used building materials out of landfills.
